EARTHQUAKE IN SOLUKHUMBU & KHUMBU

On April 25th, a 7.9 magnitude earthquake struck whole Nepal. The earthquake has cause massive damage and the government reports that at least 9000 have died and approximately 12000 injured and missing. Now the situation seems to slowly be improving; and some immediate relief efforts are under way from different angles.

The Khunde & Khumjung Earthquake Relief Group (KKERG) was formed with the goal to support the earthquake victims. These photos are compiled by KKERG on behalf of Khumjung and Namche VDCs. ANYONE interested to support or donate the relief materials for earthquake victims, the following group has been working on it. Please contact: infokkerg@gmail.com Thank you
