User's Rental Agreement: I assume full responsibility for any personal damages I incur and for the equipment rented from Ashford LLC (hereinafter ALLC.) I assume total liability for all damages incurred through the use or misuse of the equipment listed in this agreement. Unless Damage Protection is purchased, I agree to pay for damages incurred to rented equipment in excess of normal use and depreciation, as assessed by the ALLC staff. Damage Protection does not cover the physical loss of an item.

Mountaineering and outdoor travel is not risk free. The same elements that contribute to the unique character and fun of exploring and climbing mountains can cause loss or damage to equipment, injury, illness, or in extreme cases, permanent trauma, paralysis, or death. I agree to assume all risks and responsibility for any and all claims for damages and for injuries suffered while using this equipment, and to hold ALLC, International Mountain Guides, and their Staff harmless and not responsible for injury or accident incurred while using this equipment.

I will inspect the equipment to ensure that it is in good working order and I will accept it as is. I understand how to use the equipment. I understand that I am giving up any right to sue for any cause of action including but not limited to negligence, product liability claims, or product failure for any reason against ALLC, International Mountain Guides, their officers, directors, staff, employees, volunteers, distributors, manufactures and my co-participants. I understand and agree that any issues concerning the rental of this equipment will be heard in the State of Washington applying Washington law. I agree to mandatory binding arbitration for any product liability issues. I have made no misrepresentations to ALLC and International Mountain Guides about my skills.

I understand that I am responsible for returning this equipment and accessories upon return from the climb mentioned above. I also understand that there will be a late fee charged at the reserved item rate per day, per item until returned. Equipment not returned after fourteen days will be deemed lost. Equipment must be returned in good order and clean (see included instructions) or a fee will be assessed for each item. Damaged or lost equipment will be assessed at the current retail prices for repair or replacement (retail and replacement costs available upon request) unless Damage Insurance was purchased (see above) in which case charges will only be incurred if items are lost. Charges made on lost or damaged equipment are not contestable. I agree that all late, lost or damage fees may be charged to my credit card that I have provided for that purpose.

When renting a sleeping bag, I agree at all times to use the sleeping bag liner provided. I will be charged a dry cleaning fee if it appears I did not use the bag liner. (Required by State law.)

RETURN POLICY: All rented items are to be returned to ALLC within 7 days of the conclusion of your trip unless otherwise arranged with ALLC. Shipping cost is the responsibility of user. Guides on the climbs are not responsible nor allowed to return rental gear from international or domestic climbs. We strongly recommend purchasing insurance and delivery confirmation when returning the items to ALLC. I also agree to follow the gear care instructions included with the rental items.

REFUND POLICY: The user must pay the total balance of the equipment rental upon reservation. The user must cancel equipment reservation at least 48 hours prior to checkout time or no rental fees paid will be refunded. No credit or refund will be issued for items rented but not used or for early return of any item.

Please **email or fax** this form to the IMG Office no later than **3 weeks before** your trip departure date. USPS Priority Shipping rates will apply. Please note that we do not rent to NON-US Residents.
